

Product: Can-Am Defender Digital Mirror Mount

Disclaimer: N/A

Instructions:

- Remove the 2 lower screws from the front headliner panel. In some cases these two bolts will be holding the rear view mirror on as well.

- Hold the new mount in place and install the screws through the mount and into the original holes in the plastic headliner.

- Install Mirror around the mount same as they would on the rearview mirror.

Thank you for your purchase.
