

Product: Snorkel Inserts – All Models

Disclaimer: N/A

Instructions:

- Remove the stock snorkel insert and replace with our filtered snorkel insert.
- Inserts will come with 2 different types of filter material. In some riding conditions the fine mesh will collect to much debris and clog. In those cases, the other more open style mesh should be used. To swap remove the screws on the insert to separate the two halves. Place the other screen style in-between and attach the two halves again using the screws that were removed.
